**This Thirty-Fourth Anniversary Sale****Exceeds All Others***Because the Values are the Best We Have Ever Offered and the Merchandise Is in Greater Quantities.***Extraordinary Purchasing Opportunities in Nearly Every Section.****A REMARKABLE ANNIVERSARY SALE WOMEN'S AND MISSES' BEAUTIFUL NEW SPRING SUITS**

Never before have we offered such exceptional garments at such a low price. Their complete superiority in every particular, their newness, will be easily recognized by those accustomed to judging quality in suits. These suits are in about twenty-five of the most original and beautiful of the spring styles, exemplifying all the new features and beautiful notes which fashion favors.

Styles range from the simplest to quite elaborate effects. Short, jaunty coats in eton and the new fancy cut tailored modes, trimmed in many different styles, the short peplum and plain back with yoke and drop sleeves. Tunic skirts show the short and the deep styles, which are promised an equal share in popularity.

Crimpled Crepes, Gabardines, Hairline Crepes and Serges are the materials from which these suits are made—in novelty checks, French blue, tans, tangos, navy, mahogany, black, stripes and broken plaids. Surely this affords choice to please the most conservative as well as the ultra fashionable.

**Anniversary price, \$14.95 each.**  
**Actual values, \$25.00 to \$35.00.**

*We are enabled to make this wonderfully low price because of concessions from a number of our best makers, who, being anxious to co-operate with us in making this the most successful anniversary sale of our career, gave values that will long be remembered.*

Newly Appointed Commandant Assumes Duties, Succeeding Gen. William P. Biddle.

Gen. George P. Barnett, the newly appointed commandant of the Marine Corps, yesterday assumed charge of the navy's

auxiliary branch, succeeding Gen. William P. Biddle, who retired at his own request on account of ill health.

Gen. Barnett, whose title is purely gratuitous inasmuch as it goes with the office of commandant, and will have to be surrendered at the expiration of his four-year term, was named for the present post by Secretary of the Navy Daniels after one of the hardest fights in the history of the Marine Corps.

Gen. Barnett's record is said to be one of the best in the Marine Corps. He saw service in the Chinese, Philippine,

Cuban, and Nicaraguan campaigns, and will have charge of the reorganization of the Marine Corps, which Secretary Daniels has in mind for the coming year.
